

Spear Phishing Attacks Targeting the **Legal Industry**

Cybercriminals target law firms and legal departments for financial gain and to access confidential data. As the number of cyberattacks targeting our industry continues to increase, it is important to be aware of the latest threats.

The image shows a simulated email client window with a dark header bar containing three colored window control buttons (red, green, yellow). The email content is as follows:

From: admin@abclegal.net
Subject: RE: RE: subpoena

Hello. My client, MR. BAKER got this in his mail.

Scanned File

He said you'll know what this is

If you are in trouble, give me a call.

Callout boxes on the right side of the email interface contain the following questions and observations:

- Do you recognize the sender?
- Is this a typical email for a subpoena?
- Do you recognize this name?
- Never open unexpected or unsolicited attachments.
- Appeals to fear and curiosity.

REMEMBER:

- 1 Don't interact with unsolicited hyperlinks and attachments
- 2 Scrutinize all email requests
- 3 Never send sensitive info via email
- 4 Always verify
